

*Excellent reasons for doing business  
with a country which is such a good  
place to live and work*

## **Useful addresses in Swiss:**

For initial contacts and inquiries concerning business matters and dealings with Swiss partners or representatives, the best way to proceed is to refer to the Swiss Embassy or Consulate nearest to you. The local commercial attaché or chargé d'affaires will take note of your request and forward it to the competent office, authority or person in Switzerland. Swiss and bilateral chambers of commerce can be another useful source of information and assistance.
